

CSC 370 — Database Systems
Fall 2016
Assignment No. 4

Note 1 **This assignment is to be done individually**

- Deadline: Oct 21 at the beginning of class.
- This assignment is worth 1% of your total course mark.

Objectives

After completing this assignment, you will:

- Understand 3NF relations
- Understand simple E/R diagrams

Your task, should you choose to accept it

From the textbook, solve exercises:

1. 3.4.2 parts b) and c) only.
2. 3.5.2 parts a) and c) For b), it is already a minimal basis.
3. 4.1.1
4. 4.1.2
5. Provide CREATE TABLE statements for 4.1.2 (diagram after d)

What to submit

At the beginning of the class, submit a paper copy of your assignment.
